Plaintiff's Bankruptcy Trustee, along with counsel for the Bankruptcy Trustee and counsel for Defendant, appeared for a status conference on July 25, 2007. Based on counsel's representations, the court orders that the Bankruptcy Trustee file a status report no later than September 28, 2007, addressing three matters: the status of settlement discussions, the status of discussions regarding discovery, and a proposal for future proceedings.

Once the court receives this report, a new scheduling order will issue.
